SIR,

With reference to your letter No L 8312/M1 dated 4-12-1946 on the above subject, I have the honour to state that the terms stipulated in the tender notice do not reserve any right to the Municipality to prohibit the slaughter of animals on any particular day or days, in any month of the year The Meat Control Order came into force after the tender was accepted by the Council, and at the time of calling for tenders neither the Municipality nor the Contractor was aware that such an order would be passed By the enforcement of the order, slaughtering of animals was prevented on 2 days in a week which has affected the contractor's rights in the collection of gate fees, as the slaughter house remained closed on these days

2 The Municipal Council, after considering all aspects, have resolved to grant remission to the contractor to the extent of Rs 2,360-5 in respect of the 51 meatless days during the year in proportion to the full contract amount of Rs 17,000/-

3 In these circumstances the resolution of the Council dated 23-9-1946 may kindly be sanctioned
